

# Healthy, deadly lunch box kit ORDER FORM

You can **download** the Healthy, Deadly Lunch Box **poster** and **colouring-in sheets** at [vaccho.org.au/nutrition/hdlb](http://vaccho.org.au/nutrition/hdlb)

VACCHO's 'Healthy, Deadly Lunch Box' kit features beautiful artwork by Shakara Montalto and lots of great ideas for putting together a healthy lunch box for kids.

VACCHO has a limited number of kits to distribute at no cost to Victorian Aboriginal organisations.

Please indicate your interest in receiving a kit which includes an **information book** and a deadly **lunch cooler bag** by completing the form below. Email the form to VACCHO's Nutrition Team on [nutrition@vaccho.org.au](mailto:nutrition@vaccho.org.au)

How many kits would you like?

Early childhood service/primary school

Non-government organisation

Local government area (LGA)

Other:

**Please see over**

How many family/children do you work with and what are you currently doing to promote healthy eating for children (or would like to do)?

How do you think the Healthy, Deadly Lunch Box resources could be used to promote healthy eating?

How will you know what Aboriginal Community members think about the Healthy, Deadly Lunch Box resources?

Any comments you'd like to add?

Our Team may contact you for evaluation purposes.  
Thank you, the VACCHO Nutrition Team
