VACCHO was established in 1996 and is the Peak body for Aboriginal Health in Victoria representing Aboriginal Health Services (VACCHO Member Organisations) throughout Victoria. Each member is an Aboriginal Community Controlled Health Organisation delivering primary health services to their local community. Our role is to advocate, educate and promote the philosophy of community control and to develop policy and strategies which promote Aboriginal Health Rights, Community Control and physical, spiritual and emotional wellbeing.

VACCHO Strategic Goals

- Quality Workforce
- Quality Services
- Quality Infrastructure
- Quality Partnership & Networks
- Aboriginal Cultural Qualities

Unit Overview

The Public Health and Research Unit has been established to assist Aboriginal community controlled services to prioritise public health approaches within their primary health care service delivery and to strengthen service level responses to public health issues, such as chronic disease, communicable disease and environmental health.
PHRU Vision

The purpose of the VACCHO PHRU is to:

Lead the way in public health and research through increased use of evidence based planning and practice;

Empower VACCHO members with culturally relevant resources and information to improve health outcomes for local Communities;

Embed public health principles and approaches across VACCHO, as an authority on Aboriginal Health;

Ensure we sustain the Public Health and Research Unit profile and capacity; and

Support culturally appropriate Aboriginal Community driven priorities.

The goals of the VACCHO PHRU are:

Goal 1. Use evidence base for planning and action;
Goal 2. Support members and VACCHO by translating and disseminating evidence;
Goal 3. Contribute to the evidence base through research and evaluation;
Goal 4. Advocate for research and public health programs to fill the gaps;
Goal 5. Build capacity of VACCHO, VACCHO members, government and mainstream around Aboriginal public health; and
Goal 6. Quality management of PHRU.

Role Overview

The role will be responsible for undertaking State-wide co-ordination of initiatives as it relates to achieving the key result areas against the program deliverables relating to tackling Smoking of Aboriginal people.

Key Responsibilities:

1. Liaise with the Tackling Smoking workforce within Victoria to reduce the incidence of tobacco smoking in Aboriginal and Torres Strait Islander (Aboriginal) communities.
2. Identify, implement and evaluate harm reduction models and strategies that support Aboriginal communities to reduce smoking rates.
3. Play a key role in evaluating Aboriginal Tobacco Control Initiatives using Member service level data where appropriate, to ensure successful evidence based programs are translated into improved services on the ground.
4. Advocate the importance of best practice approaches to reduce smoking in Aboriginal families, communities and workplaces.
5. Prepare a report, attend and present at the quarterly Best Practice Forum for Aboriginal Tobacco Control, co-chaired by DHHS and VACCHO.
6. In consultation with DHHS, co-ordinate an annual workshop for Aboriginal Tobacco Action Workers and other key stakeholders to share best practice information and models.
7. Collaborate and form networks with key stakeholders on Aboriginal tobacco control eg. QUIT, CEITC, Department of Health Central Office and its Regional Offices, and Aboriginal Community Controlled Health Organisations.
8. Take a lead role in the development of Aboriginal Tobacco Program Initiatives within VACCHO (Tackling Smoking Program) which aims to compliment the broader National COAG priority of Closing the health Gap of Aboriginal people, and the Commonwealth funded Regional Tobacco and Healthy Lifestyle program.

9. Working in collaboration with others within VACCHO to improve organisational capacity and promote opportunities for broader involvement in holistic prevention activities with an emphasis on tobacco harm and maintain a strong link to the other Aboriginal Tobacco Action Workers within Victoria.

10. Develop evidence based programs and support Aboriginal Tobacco Action Workers who will deliver education and smoking cessation programs with identified target groups in and around Victoria.

11. Work in collaboration with the VACCHO Tackling Indigenous Smoking, (TIS) program team.

12. Work together with the QUIT Aboriginal Tobacco Control Program Coordinator, to implement a joint partnership work plan and activities.

13. Regular attendance and participation at PHRU meetings, VACCHO staff and other meetings

14. Undertake other duties which are appropriate to the level of the position, as directed by the Director or Manager of PHRU
